

Mohamad Rafly Fajriansyah

Designer/Developer

Bandung, Indonesia

+62 815-2382-8416 | raflyzxd@gmail.com | www.linkedin.com/in/raflyfajriansyah | https://raflyweb.netlify.app

I am a fresh Information Systems graduate with a Bachelor's degree from the Indonesian Computer University, passionate about learning new things. I enjoy working on designing website interfaces, mobile apps, logos, brands, and posters using Figma, Illustrator, and Photoshop. I also have experience with JavaScript, React.js, Laravel, and PHP through college projects and i'm excited about developing my skills in creating 3D models with Blender.

Work Experience

Telkom Indonesia – Bandung Aug 2023 – Dec 2023

UI/UX Specialist Internship

- Designed 5 virtual reality user interface projects and redesigned the SmartEye website, improving user experience by 75% with VR and making the site more engaging and visually appealing.
- Collaborate with the team to craft a streamlined VR user flow for enhanced user experience clarity.
- Develop a comprehensive design system for each virtual reality (VR) application and website.

Digital Talent Scholarship – Work From Anywhere Jun 2023 – Sep 2023

UX Designer Training | FGA DTS Kominfo x Google

- Designed UI/UX dummy brand identities for 2 projects: a mobile app for learning classes and a responsive website for travel.
- Define and empathize with user needs to generate ideas that address the problem.
- Design interactive prototypes and perform usability testing to enhance user experience and refine solutions.

FundEx.id – Work From Anywhere Jun 2023 – Jul 2023

UI/UX Designer | Rakamin Virtual Internship Program

- Studying UX involves mastering the implementation of UX research methods and the design of user interfaces.
- Revamping Fundex's landing page aims to boost aesthetic and layout quality by 70%.
- Documented the Fundex landing page redesign for submission as the final task.
