

Mohamad Rafly Fajriansyah

Designer/Developer | Bandung, Indonesia | raflyzxd@gmail.com | +62 815-2382-8416 | www.linkedin.com/in/raflyfajriansyah

I am a student majoring in Information Systems at the Indonesian Computer University, with a strong interest in learning new things. I enjoy designing website interfaces, mobile apps, and Instagram feeds using Figma, Illustrator, and Photoshop. I have some experience as a website developer, working with programming languages such as JavaScript, Java, and PHP, and creating simple 3D models with Blender.
